President's Message

I'm going to surprise Kathy, our Editor, by having this to her early. I couldn't think of anything to write about last month, so I decided to skip a month.

Steve Springer, our Chapter Coordinator, is keeping busy with all the people wanting to start new chapters. All you need to do to start a chapter is have five or six interested people, then contact Steve, and he'll help you get off and rolling. A local chapter can be a ball! My local chapter is fantastic. We all help each other out, and we're more like a family than a car club. When there is work to be done, it just happens. Sometimes we wonder how it can be accomplished, but it does, and we have fun doing it. All you have to do is *ask*, not *tell* members what needs to be done.

Bonnie, Club Store Manager, is working on a lot of new and neat items that will be available soon. She'll have them at the National Meet in Plano, Texas, in July.

Our Regionals are beginning, so be there and enjoy! Also, get registered for the Nationals, and get your motel reservations in so you won't be left out.

Have fun in the Falcons!

Jim Hatcher

A Reminder to Those Placing Ads in the News

Please remember the FCA policy with regard to ads being published in *The Falcon News*:

- All items for sale must have a price
- Only ads for Falcon automobiles for sale will be accepted (no Comets or other makes)
- Please carefully read the boxed information "To Advertise" for costs (if any) and other pertinent information.

Vice President's Message

Picture perfect Sunday afternoon, sunny and 75 degrees, just a slight breeze from the south. Guess I'm kinda on a guilt trip today. The Wife is out mowing and doin' all that domestic stuff. I'm sitting here computin' when there are more important things to be done in the garage. Tommie won't let me use her Honda mower; says I run it too fast, too hard and leave too many scalp marks. The *thing* has a clutch, and you can leave some nice little burnout marks in the yard. *Foot break* it and you can do some slick donuts! My neighbor has one with wheelie bars and a cage — jealousy is a terrible thing!

We've made arrangements to have a professional video made of the coming convention. All cars at the convention will appear on the video, plus all of the awards ceremony. The Club Store will be offering them for sale sometime after the convention. Speaking of the Club Store, Bonnie is working on a lot of new ideas for personalized shirts, belt buckles and jackets. She will be previewing some of the items during the convention. All members present will also get a look at the new trailer. It is *special*, so you'll just have to wait and see.

The banquet menu was finalized last week. How does a three entree barbecue dinner with all the trimmings sound? Better bring a big appetite because the Harvey Hotel promises me this will be the best meal we have ever been served. (I will take personal responsibility of going there three or four times a week to sample and just make sure everything is okay.)

Next time she comes in, I'm gonna sneak out side and *rip up some turf!*

Love Ya All,
Marty

Attention Chapter Leaders: Please remember to report elections or other changes in officers promptly so that FCA rosters will be accurate. Send *names, addresses, and phone numbers* to the FCA President, the FCA Secretary, and the Editor of the *Falcon Bulletin*. We won't know if you don't tell us!

Chapter News

The **Buckeye Chapter** will be holding a meeting in the Barberton area at a local '50-'60s drive-in on Saturday, May 20, from 2 to 5 p.m. For more details send an SASE to chapter president Jim Sibit, 941 W. Hopocon Ave., Barberton, OH 44203 or call him at 216/825-5708.

Schnuck's Station Restaurant in Chesterfield, MO was the site of the **Gateway Chapter** monthly meeting in Feb. After everyone finished dining a business meeting was held to discuss plans for the 2nd Annual All Ford Car Show tentatively scheduled for October at Noah's Ark Hotel in St. Charles, Mo. Following the meeting there was a 50-50 drawing and members played several games of Falcon bingo.

The **Music City Chapter** recently celebrated its one-year anniversary with 26 members and are steadily increasing. A picnic is planned for May at Bob Ferguson's home. They are also actively promoting the Falcon Mini-Reunion being held in conjunction with the 10th Annual Southern National All Ford Car Show in Murfreesboro, TN, on June 10.

A potluck dinner and meeting was held at O'Meara Ford in March by the **MileHi Chapter**. A group of thirty, mostly driving Falcons, attended. They will be participating in the Tri-State Auto Show at the Colorado Convention Center by showing eight Falcons of the various years and manning an information table.

The March meeting of the **Suncoast Chapter** was held in Orlando, FL, at Bill and Olga Hauke's, with 26 members attending. The meeting covered all of the last discussions before their 5th Regional Meet. Lots and lots of items were sorted into the goody bags. All of the trophy classes are sold and contributing corporations have donated much for door prizes and give-away items at registration.

Twenty members with two Falcons driven attended the March meeting of the **Mid America Chapter** at the Sonic in Overland Park, KS. Work is continuing on the All Ford Show to be held June 4 at Metcalf South Shopping Center in Overland Park. Committees were appointed and classes were decided. Preregistration is \$8 and day of the show is \$10. Contact Barry Fischer at 816/679-5636 for more information.

This year's annual dinner for the **Mason Dixon Chapter** was held at the Clubhouse in Vandegrift. Thanks to Glenn Stewart for making the arrangements for 47 members and guests. Special guests were the Smiths of Smith Ford. They passed out chapter name tags and almost sold out of newly purchased sweatshirts. During the business meeting they discussed raising chapter dues and participation in the All Ford Show at Carlisle and the annual Old Home Week in Greencastle.

The **Carolinas Chapter** held their monthly meeting at Shoney's, University Place. Items discussed included the regional meet on Sept. 22 and 23 in Charlotte, NC. A T-shirt is being designed and letters of sponsorship are prepared. They are also making plans for their annual Town & Country Ford Show scheduled for late May or early June.

The **Keystone Chapter** kicked off the 1995 season with their annual dinner at the Candlelight in Bethlehem, PA, with 39 present. Up-coming events were discussed with three new activities added. A video of the 1994 National was shown. Everyone enjoyed meeting again after a long winter, talking about Falcons and the year to come.

IMPORTANT — READ THIS!!!

Give me your car! Words you would expect to hear from any self-respecting carjacker? What are you going to do when you receive a letter from the state or the "Feds" with the same message? Cold hard fact: we continue to ignore this and *all* of our Falcon's will go to the crusher!!!

Can you fund or find a lobbyist that will go against "Big Business" to defend your hobby? How about forty or fifty? Even if you could, it would be a losing effort. big business in this scenario is Exxon, Shell, Phillips, Conoco, and all companies that cannot meet federally mandated pollution standards for their facilities. These facilities actually belch out more pollutants per hour each year than the sum of surviving and driveable Falcons. How do they escape being penalized? Their only excuse is, "The cost to comply would be excessive." From there they offer a deal for the "Fed"; give me credits for every old car we take off the streets and we will continue destroying the atmosphere as usual. They will lobby and lobby and lobby until they have bought enough politicians in your state to make you surrender your car for crushing! Of course, they will pay you an arbitrary sum of \$600 to \$800. Then "they" will deduct the expense of purchasing your "Clunker" as operating losses. They can't lose. You will!!!

We do have friends, and WE do need to act now. Not tomorrow. They (your government) are scratching out new legislation right now to destroy the old car hobby! None of the legislators have any knowledge of the pride you take in

your car! They know for sure old "Mobil" or whoever will take care of them (financially). Some cars will be protected. Try this. A government appointed board in California has been charged to identify those cars that would be defined as "Classics" and thus gain exemption from the crusher. This staff (?) are not car people; they couldn't identify a Falcon from a Corvair. They have heard words like Mercedes, Corvette, Jaguar, Ferrari, etc. Do you think your Falcon has a chance of making the list? Remember, "Where California goes, the rest of the nation follows."

If you feel that you have the right as an American to keep that Falcon, you need to act now! There are two things you can do to help turn this ignorance around and make "Mister Big" clean up his act. Write to: SEMA, P.O. Box 4910, Diamond Bar, CA 91765-0910. Tell them you want to join the fight to stop the spread of unfair "Clunker Bills." They will send you a free brochure stating what needs to be done. Second, you can call the White House Comments Office at 202/456-1111 and give them your opinion about the pending "Clunker" legislation.

Ya snooze, ya lose!
